How it works

01

Send the request

Route, dates, number of passengers, luggage and any preferences.

02

Receive options

Aircraft, schedule and price laid out clearly, usually within hours.

03

Confirm

Charter agreement and payment; aircraft and slots are secured.

04

We stay with you

A broker follows the flight and is reachable 24/7 on WhatsApp.

Working with partners

- **Commission or net rates**, agreed per partner.
- **The client remains yours.** We do not approach your clients directly.
- Quotes you can forward to your client as they are.
- One contact for jets, helicopters and group charters.
- Certified operators only; every option is checked before it is offered.

What helps us quote fast

- Departure and arrival city or airport
- Date and preferred time, one way or return
- Number of passengers and luggage, pets on board
- Budget level or aircraft preference
- For groups: programme, cities and dates
